

OPHP Spring Training *A New Lineup*

Remember all the proposals to change health care during the 2007 Legislature? Where do we stand today? Are we changing the game, the mandate lineup or just a few of the rules? Actually, it turns out, a bit of each.

Who should participate?

Any producer interested in gaining a better understanding of recent legislation affecting health insurance.

Credit:

Participants receive two hours continuing education (law).

What we cover:

- HB 2002 – New laws affecting small employer health insurance
- SB 329 – Significant health care reform referred to as “The Healthy Oregon Act”
- Several new laws regarding new mandates, association plans, domestic partnerships, and continuing education requirements for producers
- A closer look at COBRA, HIPAA, and state continuation requirements
- Of course, an update on FHIAP, OMIP, and other state programs
